# HOLIDAY PARTY

For the Baltimore, Northern Virginia, and Washington Ethical Societys at the Sinclair home, 12/18, 4pm.

**The Evite for this event is here -**

**RSVPs on the evite no later than Thursday evening, December 15th so we know how many gingerbread houses and crafts to assemble.**

Besides gingerbread houses and ornament making, there is table tennis, a pool table, and a Wii with several fun/interactive non-violent games. There is also a kid's train set, play kitchen, large rocking horse, and a playhouse in the basement. There is space all over the house for crafts and conversation.

Hosting this event is a great joy for our family, but if you wish to help offset the cost of the gingerbread houses and ornaments, there will be a donation box near the front

door. (Guide for costs: a gingerbread house alone costs about \$12 for the kit, icing, candies and wrapping to take it home.)

Please be aware that we have two cats. We will lock them up for the party, but if you are allergic to cats, make sure you are prepared.

*If you would like to help assemble gingerbread house frames on Thursday and/or Friday December 13th and 14th - reply which date you can help in your evite RSVP.*

**Second Saturdays are for Service outside of WES**

**Volunteering at Wider Circle, January 14th - 10 am to Noon followed by lunch.** RSVPs to **Melissa** are required by Thursday evening, 1/12. They need this information at the Wider Circle Office.

Park at the school next to AWC warehouse. You will also need to fill a waiver when you get there. See the linked website above for more information.

This lends so nicely to our SEEK Students. We can make it Second Saturday for Service outside of WES, and then Second Sundays for Service in SEEK classrooms the following day.
