HOLIDAY PARTY

For the Baltimore, Northern Virginia, and Washington Ethical Societys at the Sinclair home, 12/18, 4pm.

The Evite for this event is here -

RSVPs on the evite - I will have a couple extra gingerbread houses - but at this point no guarantee for one.

Besides gingerbread houses and ornament making, there is table tennis, a pool table, and a Wii with several fun/interactive non-violent games. There is also a kid's train set, play kitchen, large rocking horse, and a playhouse in the basement. There is space all over the house for crafts and conversation.

Hosting this event is a great joy for our family, but if you wish to help offset the cost of the gingerbread houses and ornaments, there will be a donation box near the front

door. (Guide for costs: a gingerbread house alone costs about \$12 for the kit, icing, candies and wrapping to take it home.)

Please be aware that we have two cats. We will lock them up for the party, but if you are allergic to cats, make sure you are prepared.
