

Team Volunteer Descriptions

Team Name: Earth Ethics Team

Description: The Earth Ethics team is devoted to improving the relationship between people and planet Earth

This team is important to WES because: The team promotes ethical principles and actions within WES and beyond to improve our relationship to the Earth and all living beings.

Volunteer Opportunities:

- Member: Receive emails about meetings and WES / Earth Ethics events.
- Activist: Attend most meetings
- Co-chair: Help organize actions, events and meetings

General Responsibilities of Volunteers:

- Keep minutes of meetings and plans subsequent meetings
- Members give a brief (30 minute or less) presentation before a meeting on an environmental topic
- Help plan and run Earth Day celebration including recruiting Earth Day Speaker
- Help plan other events, such as special speakers and showing documentaries
- Help plan advocacy, including letter-writing campaigns

General Time Requirement: Meetings are always held on a Sunday and are usually after the platform at WES and at WES or starting with a pot-luck dinner at a member's home. Prepare for and host events and advocacy.

Knowledge, talents, or aptitudes helpful in this volunteer role:

- Ability and interest in organizing meetings to plan environmental activities
- Ability to help organize events such as outings, letter-writing, etc.
- Interest in conserving our natural environment for generations to come
- Ability to communicate via email, although not essential

Length of Commitment or Term: One year, renewable. The Earth Ethics need is on-going and members generally enjoy participating over the long term.

Benefits of serving in this volunteer role: Working with friendly people at WES toward building a sustainable world for us and for future generations
