

Team Volunteer Descriptions

Team Name: Stewardship Team

Description: The Stewardship Team helps build greater support for the core funding of WES. It ensures that the various fundraising efforts throughout the year are coordinated, varied, and clearly connected to our mission. The team advises on policy issues and initiates stewardship education through the year and creates the core messaging for the annual operating budget drive.

This team is important to WES because: Generous member giving is one important way we ensure WES's long-term financial health.
